Accommodations

On a couple of our ranches you'll stay in a heated ranch house with hot running water. When we're too far from a ranch house, we put up a nice wall tent camp with a shower tent, electric generator, freezer for preserving the capes and keeping food, a large dining tent and sleeping tents featuring oversized, heavy-duty cots and mattresses.

Our hunters rave about our wall tent camp.

Extra Days: Extra hunting days are **\$500** each when guides and room are available.

Travel: Fly to Hermosillo, where the outfitter picks you up.

If you prefer to drive, the outfitter charges an extra **\$300** per person to pick you up and drop you off in Nogales, Arizona.

Best of Mexico Hunting.

Alan Martinez of Texas took a buck that scored more than 200 B&C points in December 2006 on his second day of hunting. The rack was just shy of 30 inches wide.

Johnny Grimes took our widest buck in December 2006. A bit over 35 inches in outside spread, the rack had an inside spread of over 30 inches, and a gross typical score of 216 B&C.

Enrique Gracia has worked very hard to obtain these special Mule Deer Ranches and we are certain that your MONSTER MULEY DREAMS WILL COME TRUE ON THIS HUNT!!!!
